BRIDLEWOOD MANOR POOL RULES AND REGULATIONS

The purpose of these Rules and Regulations is to promote the safe and sanitary operation of the Bridlewood Manor Homeowners Association community swimming pool and community facilities. The safety of each pool patron rests upon the reasonable conduct of each individual, the proper parental supervision of children, and acknowledging the authority of the Pool Manager and lifeguards on duty to enforce these rules.

Nothing in these rules is intended to diminish parental responsibility for their children. Non-swimmers and novice swimmers require additional attention, for which neither the Association nor Pool Management assumes responsibility.

Your cooperation will afford pleasant relaxation and recreation for all residents. This is your community facility. Enjoy it in good health. Thank you for your cooperation.
